There is only one category - *Views of, in, or around Asby* - but there will be three classes - **Adult, Children 8-16, and Children under 8**

Entries cost 50p each, and all entries must be delivered to St Peter's Church between **4.00pm and 7.30pm on Friday 15th June {please note the date}**. Entries will be on display in the Church over the week-end **30th June/1st July**.

- All entries must be unframed
- Entries must be presented as prints, no larger than A5 {or about 8"x6"} in size.
NB: although the Calendar will be printed in the larger size used this year, entries are restricted in size because of the display arrangements available in the Church
- Preference will be given to photographs in landscape orientation
- Entries must be clearly marked on the reverse with the competitor's name, class (age group), approximate date of photography, a brief title or caption, and details of the location of the photograph

The Small Print

No entry may have been previously published anywhere else. Entries must be clearly identifiable as being views of, in, or around the parish of Asby. It is a condition of entry that the entrant (while retaining the copyright) gives Asby PCC the free right to use the photograph (cropped or enhanced as may be required) in its fund-raising activities (and particularly in the Asby Calendar 2019 if the PCC so chooses), and to publish them (protected against unauthorised downloading) on the Parish website. Entrants must provide a digital file (or an original copy) of each entry. Entering one or more photographs implies acceptance of all the conditions of entry.
