## ST PETER'S, GREAT ASBY FINANCIAL STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2022

## **Introductory Notes**

1: As usual, the accounts are set out so as clearly to separate the tabulation of the monies raised expressly for defined purposes {i.e. restricted funds - which may be used only for those purposes, such as the maintenance of the organ, and Messy Church} from the PCC's other monies, some of which the PCC may choose to allocate {or designate} for expenditure on some or all of the defined purposes. The first page of the following accounts is therefore concerned only with unrestricted monies - the PCC's 'general account' - while the third page deals only with the PCC's restricted monies.

Last year, the PCC expected that the planned work on the repair & reconstruction of the Lychgate would be completed (or very largely completed) during the year. Accordingly it was not thought necessary to establish a separate <u>restricted</u> fund for the purpose, and the monies raised for that purpose are therefore shown in the 'general account'. Although substantial work was undertaken in 2022, no significant invoices have yet been received.

2: The accounts also separate out completely those other monies which pass through the PCC's accounts, but which are never its property. These monies are also restricted funds. They are usually either fees or donations etc received on behalf of others {e.g. the Diocese, named charities, those providing services}, or monies raised by the PCC expressly on behalf of named charities. These monies are paid over to the appropriate bodies. They are detailed on the second page of the detailed accounts.

**NB:** where, however, the PCC *chooses* to make a charitable gift from its own general funds, it appears appropriately on the first page of the accounts.

3: The accounts have been the subject of a detailed examination by the appointed Examiner of the PCC's accounts {Mrs S Savage}.

The accounts now presented were signed off by her on 22 02 23 (date).

As indicated above, these accounts were examined by me on 22 23 (date) and I am satisfied both with their accuracy (on the basis of the records made available to me), and with the level of detail reported.

### YEAR END SUMMARIES - RECEIPTS & PAYMENTS; FUNDS; and ACCOUNTS

**Note:** with effect from March 2020 the PCC had a nominal account called WaterOnly. This arose following the receipt of compensation (in respect of the PCC's business account with Water Plus) following a complete failure of the water supply to Asby. The compensation amount was managed by Water Plus as a nominal credit on the PCC's account, against which our bills were charged - which (given our low-ish consumption) meant that we had a significant, slowly decreasing, asset. The balance was recovered during this accounting year.
